INSTALLATION

Unveiling the Kinetic Rodent Guard Clip!
Say goodbye to critter concerns with our innovative Rodent Guard Clip. Specially crafted to safeguard your solar investment, this solution is designed to securely latch onto solar module frame returns. Protect your solar array with a hassle-free rodent clip installation process.

Material

Material	Aluminium
Hardware	Stainless Steel
Coating	Black

Warranty

The Kinetic Rodent Guard Clip is part of the K-RackTM product line which is covered by a 20-year limited warranty. See the warranty document on our website for more details.

Key Benefits

Total Defense

The aluminum extrusion seamlessly clips onto the solar module frame return, creating a secure connection. The bolt locates the mesh and the nut secures it, leaving no room for slipping. It can also withstand sliding snow.

Installer's Preference

Crafted with installers in mind, our Rodent Guard Clip simplifies the installation process, saving you time and effort. It's the go-to choice for a hassle-free and efficient solution. These clips are reusable.

Compliance

Rest easy knowing that our Rodent Guard Clip is widely accepted by Authority Having Jurisdiction (AHJ), ensuring compliance and peace of mind.
